

Warbirds Over Wanaka - Expressions of Interest

Over Easter 2024, the Unit intends to take a group of Cadets down to Wanaka to attend the Warbirds Over Wanaka airshow, and enjoy some tourist activities in the area.

We have limited spaces available, due to accommodation and transport restrictions.

The draft itinerary is as follows:

Friday 29 March - depart from Wigram mid morning, travel to Wanaka

Saturday 30 March - attend the Warbirds Over Wanaka airshow

Sunday 31st March - Puzzling world, other activity TBC

Monday 1st April - return to CHCH

The estimated costs for this activity are \$350 - \$400 per person. This covers the entire weekend (transport, accommodation, meals, airshow tickets, and other tourist activities), however Cadets may wish to bring extra spending money.

7 December 2023 - expressions of interest close

10 December 2023 - successful applicants informed

29 February 2024 - \$100 deposit due

22 March 2024 - balance of costs due

If you are interested in attending this activity, and believe you would be able to meet the costs involved, please email adj@17squadronatc.com by the 7th of **December to express your interest.**
